

Future Career Friday!

Careers in Farming

► This Wednesday was National Farming Day !

Farming is a vital and developing Industry for the UK

Does a job using amazing technology appeal to you?

- Let these four young professionals with great jobs in agriculture show you their daily work using technology in farming
- . Call them technicians, operators, specialists: Alex, Emma, Molly and Matt all have fascinating jobs and they show you what they do in a day's work and how they got where they are today.
- A farming employer gives you his advice on how to get a job as a technician or with technology in agriculture.
