

Dear Parents / Carers

Did you know... just registering your child for Free School Meals means that the school gets extra money?

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'.

For every child registered Bowland High gets approximately £935 this year.

Please register to ensure your child and others in their class don't miss out.

How does it work?

1. First, check if you qualify – it is not just if you are unemployed, so please look at the list on the next page.
2. Registering is really quick and easy – if you think you qualify, contact Lancashire County Council who will be able to help you register.
3. If you want your child to have a free, healthy meal at lunchtime that's great – they will get the free meal (saving you more than £350 a year), extra benefits and the school gets £935 extra.
4. If you don't want your child to have the school meal they can continue as normal - as long as you qualify and are registered, the school still gets £935 extra.

No one will know you have registered and it will not affect any other benefits you are claiming.

Please talk to us about registering your child today.

Yours sincerely
