Tradition, Care and Challenge

5<sup>th</sup> July 2019

Dear Parent/Carer

As you are aware, your child has opted to do physical education as one of their GCSE options. As part of this course, the pupils have the **option** to wear a specially designed PE kit. This has proven to be very popular with pupils in recent years in order to 'stand out' as GCSE PE pupils and this would effectively replace their current PE kit as it may also be worn during Core PE lessons too. This kit would be supplied exclusively by Grays uniform suppliers and the costs of the optional GCSE PE kit can be found below:

**GCSE PE Kit essential items:**

Navy blue socks	£3.50
Navy blue shorts	£9.50
Navy blue t-shirt	£15 (includes school badge embroidered on the item)

**Optional Extras:**

¼ Zip Track suit top	£22 (includes school badge embroidered on the item)
Skort	£14.50
Leggings	£23
Fitted tracksuit/tech pants	£23

\*Please note, the option to add your child's initials embroidered on any item will cost approximately £2 per item should you wish to do so.

**Placing Your Order in Grays Store**

Your child will be given the chance to try the kit on at **Grays uniform shop in Clitheroe town centre**, to check for size requirements.

**Placing Your Order Online for Store/Home Delivery**

Items can also be ordered online for store collection (click and collect option) or can be delivered by post direct to your home address (*postage charged extra*). These can be placed online for all of the above items using the unique link below:

**Please note**, this is completely optional and pupils may continue to wear their current Bowland PE kit in GCSE PE and Core PE if desired. However, I would politely ask that pupils do not mix and match GCSE PE and Core PE kit and opt for either one or the other.

Yours faithfully

Mr D Gleave (*Curriculum Team Leader, PE*)
